Subject: Reference for Trae Gray

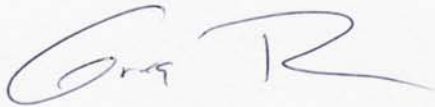

To Whom It May Concern:

I would like to take this opportunity to write an open letter of recommendation for Mr. Trae Gray based on his performance under my management. Trae worked for me as a sales consultant for Dell Computer Corporation for 1 year. In that short amount of time, Trae proved to be one of the top sales consultants on the floor. With a sales force of over a thousand, Trae was consistently in the top fifty on the floor.

His ability to communicate with customers and fellow employees would make him an asset to any company. He is one of the most ethical individuals I have ever had the opportunity to work with. He pays close attention to detail and adheres to company policies. Additionally, he proved to be a leader within my twenty-person team, often speaking out to motivate fellow team members.

It has been a pleasure to work with such an individual as Trae. I feel that he will do well at any task set before him. If I can aid in his assessment, please feel free to contact me with any questions you have.

Sincerely,

Greg Rhoads
